**Transcript of Walker County Civil Service Board**  
**Hearing dated 12/6/04**  
**(Part III)**

1 anything about pain, that he was in pain, was he making  
2 -- was your husband screaming?

3 A. Nuh-uh.

4 Q. Could you tell whether or not he was  
5 fighting with Deputy Ingle?

6 A. No. He was just -- he had his eyes closed  
7 and he couldn't see where he was going, and we've got  
8 stumps outside and he was trying to lead him to the car  
9 and get him in the car.

10 Q. How far away was the car?

11 A. My car was by the trailer. His car was back  
12 a ways.

13 Q. The Board here probably doesn't know --  
14 can't tell from that statement.

15 A. Well, my car pulled up in the front door.

16 Q. Do you have a judgment as to the distance,  
17 would his car have been the distance from your  
18 trailer, we'll say your trailer being this wall here,  
19 and his car being this other wall?

20 A. My car was parked in by the trailer, and  
21 then his car was a good ways back.

22 Q. All right. What was the distance between  
23 your car and his car?

24 A. A good little ways, so many feet.

25 Q. It would be the same distance between these

1 two walls here?

2 A. Oh, no. Not that far.

3 Q. Not that far?

4 A. No.

5 Q. What about half the distance?

6 A. I don't know.

7 Q. Okay. So you know it wasn't as far as this

8 wall right here?

9 A. No. It wasn't that far back, no.

10 Q. Now, tell the Board what obstacles were

11 between your trailer and his car other than your car.

12 A. My car, some stumps.

13 Q. Trees?

14 A. Trees. Lots of trees.

15 Q. Bulldozers or equipment or --

16 A. No. There was trees.

17 Q. Tools, anything like that?

18 A. No. Just trees and a stump. One stump and

19 three or four trees.

20 Q. How dark was it?

21 A. It was dark.

22 Q. You have a light outside?

23 A. I don't think it was on.

24 Q. Did you turn it on when the deputy arrived?

25 A. I don't think so. I don't remember.

1           Q. But you said you didn't recognize him?

2           A. I don't think. It was dark outside. But he  
3           had -- because I couldn't even see who he was. I  
4           didn't -- I wouldn't have knew him if I had seen him  
5           probably.

6           MR. PIAZZA: That's all I have.

7           THE COURT: I've got one other thing the  
8           Board might be interested in. Let's let this be  
9           the last question if we can.

10           You testified that y'all were inside before  
11           the spraying took place and there was no  
12           provocation to justify the spraying in your  
13           opinion?

14           THE WITNESS: That's right.

15           THE COURT: What was going on that made you  
16           feel like you needed to restrain or hold --

17           THE WITNESS: Well, he came over close to  
18           me and was in the middle of the floor, and he went,  
19           "Oh my God. My past has come to haunt me." And  
20           when he did that, I said, "You're Derane Ingle."  
21           And I looked at him. I knew who he was then.

22           THE COURT: What about that made you feel  
23           like you needed to restrain him or hold him back?

24           THE WITNESS: So he wouldn't get by him so  
25           he wouldn't -- you know. I didn't want him getting

1           into trouble, so I told him to scoot back. I said,  
2           "Don't get in his face," and I scooted him back. I  
3           didn't want him to get too close to him, so I  
4           scooted him back.

5           THE COURT: Next witness.

6           MR. PIAZZA: Can I just ask one more  
7           question, just one?

8           Q. You did that because you knew that there  
9           was trouble between the two in the past?

10          A. Yes. When I recognized that --

11          Q. You knew that Deputy Ingle had arrested  
12          him --

13          A. He went, "Oh my God. My past has come back  
14          to haunt me," I looked at him and I said, "You're Derane  
15          Ingle?" And then I made Tommy scoot back across the  
16          living room, because I didn't want him to get --

17          MR. PIAZZA: That's all the questions I  
18          have.

19          (Short break.)

20          THE COURT: Andy, do you want to make an  
21          inquiry now about the expectations as far as  
22          witnesses are concerned?

23          BOARD MEMBER ARCHIE: We're going to hear  
24          one more witness and we going to call it quits.

25          THE COURT: Let's go through this witness

1 --

2 MR. WILLFORD: If I could offer a  
3 suggestion. I believe the complainant has one more  
4 witness after this one, so if we could finish the  
5 complainant's case tonight --

6 THE COURT: When we left he said he had  
7 one more witness but he discovered another witness,  
8 so it's going to be two witnesses.

9 MR. PIAZZA: Another witness that was  
10 subpoenaed that has not gotten to testify yet.

11 THE COURT: Instead of one more for the  
12 complainant, we've got two more. Let's go.

13 Gene, you were here the other night. Are  
14 you under oath? He's under oath and ready to go.

15 ALAN GENE BARRON

16 called on behalf of the grievant, having  
17 previously been duly sworn by the Court, was examined  
18 and testified as follows:

19 DIRECT EXAMINATION

20 BY MR. PIAZZA:

21 Q. Would you please state your full name?

22 A. Alan Gene Barron.

23 Q. Are you related to Taz Burch?

24 A. Yes, I am.

25 Q. What relation are you?

1                   A. He's my brother.

2                   Q. And are you familiar with the complaint that  
3 he made against Deputy Derane Ingle?

4                   A. Yes.

5                   Q. So he's told you about it; is that correct?

6                   A. I was aware of it.

7                   Q. He's told you of the charges he's facing?

8                   A. Yes.

9                   Q. He's told you of the charges he's facing in  
10 connection with that arrest?

11                  A. Yeah.

12                  Q. Now, are you retired?

13                  A. Retired, Walker County Sheriff's Department.

14                  Ten years this coming February.

15                  Q. How long were you employed -- were you a  
16 deputy?

17                  A. Yes.

18                  Q. How long were you employed as a deputy?

19                  A. About 21 and a half, 22 and a half years,  
20 something like that. I had military time so I took an  
21 early retirement.

22                  Q. And what was your responsibilities and  
23 duties as a deputy?

24                  A. To serve court papers and make arrests and  
25 just general police work.

1 Q. Did you have a patrol car?

2 A. Yes.

3 Q. Did you have a certain area that you  
4 patrolled?

5 A. At times we had certain areas and sometimes  
6 you had one area, according to how --

7 Q. In your 21 or 22 years, do you have a  
8 judgement as to how many arrests you've made over that  
9 period of time?

10 A. I couldn't tell you.

11 Q. Is that -- would that be in the neighborhood  
12 of a thousand, five thousand, how many would you -- did  
13 you ever keep any records of that?

14 A. Never did keep records of it. Clerk's  
15 office should be.

16 Q. Would you have a -- would you take an  
17 educated guess?

18 A. Sometimes it would be six to eight a day. I  
19 worked in town here in the north area.

20 Q. Did you ever arrest anybody without a  
21 warrant?

22 A. Yes.

23 Q. What was the usual circumstance of you  
24 arresting someone without a warrant?

25 A. Call or patrol one.

1                   Q. Did you ever make -- did you ever respond to  
2 any domestic violence calls?

3                   A. Yes.

4                   Q. Do you have a judgment as to how many  
5 domestic violence calls you responded to?

6                   A. It was about --

7                   Q. Does the Walker County Sheriff's Department  
8 have a particular protocol when it comes to domestic  
9 violence cases?

10                  MR. WILLFORD: I would object to the basis  
11 of this witness' knowledge given that he just  
12 testified he retired ten years ago.

13                  MR. PIAZZA: I'm going to ask that the --

14                  THE COURT: Sustained.

15                  MR. PIAZZA: -- Board treat this witness  
16 as an expert since he has 21, 22 years with the  
17 Walker County Sheriff's Department, and if, you  
18 know, the counsel for Mr. Ingle wants to present  
19 evidence in contradiction to what he testifies to,  
20 he's certainly welcome to. But I think that Mr.  
21 Burch has a right to present his own expert  
22 testimony as to what policies and procedures are as  
23 far as this witness either knows now or what he  
24 knew at the time he -- when he was employed as a  
25 deputy sheriff.

1                   MR. WILLFORD: I have no objection to him  
2                   testifying as to what the policies were at the time  
3                   he was a deputy, but as to what they are now, ten  
4                   years after he stopped being a deputy, I object.

5                   MR. PIAZZA: We've got the policy and  
6                   procedure book here that has the current testimony  
7                   in it. He can certainly review that for us and  
8                   probably go directly to whatever policy they have.

9                   THE COURT: I think he's qualified as a  
10                  law enforcement officer ten years retired. I don't  
11                  know where you plan to go with on him as an expert  
12                  as far as giving opinions and all relative to the  
13                  current rules and procedure. I don't think he  
14                  would be qualified to do that. But let's just take  
15                  it as we go and we'll rule as we go.

16                  Q. Would you have a judgment as to how many  
17                  domestic violence calls you were dispatched on?

18                  A. Estimate probably three or five a week.

19                  Q. Now, at the time that you were employed as a  
20                  deputy sheriff, what was the general protocol at that  
21                  time with regard to responding to a domestic violence  
22                  situation?

23                  A. Domestic violence situation. If there was  
24                  something that happened outside the home, it was  
25                  different than something that happened inside the home.

1                   Q. Would you explain what you mean by that?

2                   A. If it was on private -- it's according to  
3 where it's at.

4                   Q. Could you speak up, please?

5                   A. This thing working?

6                   Q. Would you mind taking your gum out, because  
7 you may be hard -- thank you. Would you explain the  
8 difference between responding to a domestic violence on  
9 private property and one on public property, if that was  
10 the intent of your statement?

11                  A. How it is in the county -- out in the county  
12 whenever you're by yourself sometimes, you talk about  
13 what is going on at the jail or dispatch puts you -- you  
14 got to know about what type of call it is before you get  
15 there. Sometimes it would be worse or it could get  
16 better or it gets worse when you get there.

17                  Q. So depending on what the situation you  
18 found would dictate how you reacted to it; is that what  
19 you're --

20                  A. Yes.

21                  Q. Now, if you responded to a domestic  
22 violence -- or let's say just a domestic call, 911 call,  
23 at the time that you were employed, if the parties had  
24 resolved all of their arguments and issues, what would  
25 be your standard procedure at that point in time?

1           A. If both parties said it was resolved or one  
2 party said it was resolved, in that situation I would  
3 have to say, okay, if it isn't call us back.

4           Q. And so you would leave the premises?

5           A. Right.

6           Q. And do you know whether or not that's the  
7 policy of the Walker County Sheriff's Board -- Walker  
8 County Sheriff's Department today?

9           A. Domestic violence really came out after I  
10 retired.

11           Q. Okay.

12           A. Or about the time I retired and domestic  
13 violence laws came into effect. It was real close in  
14 there.

15           Q. And do you know what those changes were?  
16 Are you aware of those changes?

17           A. It used to just be assault, something like  
18 assault and battery, husband and wife, family members,  
19 cussing and fighting, or maybe friends at the house or  
20 something, but the Domestic Violence Act was not passed  
21 until close to the time I ended my tour of duty.

22           Q. Excuse me?

23           A. The Domestic Violence Act was not passed  
24 until nearly the end of my tour of duty in 20 something  
25 years.

1           Q. Now, I take it that if you witnessed an act  
2 of violence or seen evidence of an act of violence even  
3 at the time prior to the Domestic Violence Act was  
4 enacted, you could make an arrest at that point; is that  
5 correct?

6           A. Out in public.

7           Q. Out in the public?

8           A. Public, yes.

9           Q. What if it occurred on private property?

10          A. No.

11          Q. And that was the policy at that time?

12          A. The best I remember it was.

13          Q. Do you know whether or not that aspect of it  
14 has changed?

15          A. About domestic violence?

16          Q. About arresting someone in their own home.

17          A. As far as I know the law hasn't changed.

18          Q. What do you know is the present state of  
19 that law?

20          A. Domestic violence, I mean, person or persons  
21 are having problems at a residence or in a public place  
22 or a public highway, something like that, if they're a  
23 person or a passenger or what.

24          Q. Well, I mean, what would be a charge if you  
25 will -- let me withdraw the question.

1                   Did you ever make an arrest for disorderly  
2 conduct?

3                   A. Yes.

4                   Q. Did you ever arrest anyone in their own home  
5 for disorderly conduct?

6                   A. No, I didn't have to, not in the home.

7                   Q. Did you ever make an arrest, period, in  
8 anyone's home other than serving a warrant for someone?

9                   A. Make an arrest other than serving a warrant?

10                  Q. Right, in someone's home.

11                  A. I'm sure I did. I can't tell you which one.  
12 It's been so long.

13                  Q. Do you recall what that would have been  
14 for?

15                  A. Excuse me?

16                  Q. Do you recall what that arrest would have  
17 been for?

18                  A. I can't remember.

19                  Q. But you know it would not have been for  
20 disorderly conduct?

21                  A. I don't think it would have been for that,  
22 no.

23                  Q. Would it have been for arresting --  
24 resisting arrest? Have you ever made an arrest in  
25 someone's home or within their surroundings, their

1 living surroundings, for resisting arrest?

2           A. Resisting arrest? The way I understand that  
3 you already have somebody under arrest and they not  
4 going with you the way they should.

5           Q. Now, if someone is already under your  
6 control -- and when I say control, subdue. If you've  
7 already subdued someone either by handcuffs or other  
8 means, is it your understanding that that person can  
9 still be charged with resisting arrest?

10          A. After you arrest them they can be.

11          Q. Even after he's already been subdued and  
12 handcuffed?

13          A. If he starts giving trouble on the way to  
14 the jail, where he causes something -- cause an officer  
15 to be in trouble, yeah, you have to. Charge him with  
16 resisting arrest if he makes bodily contact with you.

17          Q. Now, in your years as a deputy sheriff, did  
18 you have -- was there a policy where you put someone's  
19 handcuffs in the front of him or in the back?

20          A. You put them on both ways.

21          Q. Put them on both ways. What would dictate  
22 that?

23          A. The ones behind --

24          Q. Can you speak up, please?

25          A. The ones that would be behind, I put them

1        behind them if they were a threat to me.

2            Q.    Okay.

3            A.    Handcuff them behind.

4            Q.    And what about --

5            A.    According to how -- being good, I put them  
6        in the front.

7            Q.    Do you know whether or not that has  
8        changed?

9            A.    I don't know.

10           Q.    Now, was that part of your training as a  
11        law enforcement officer?

12           A.    Put his handcuffs on front or rear?

13           Q.    Yes.

14           A.    They teach you how at the police academy.

15           Q.    Okay. So if you feel that you're -- someone  
16        is a threat, you're going to handcuff him from the rear?

17           A.    Yes.

18           Q.    Now, would it be your testimony that if  
19        someone uses Mace on another individual, that they  
20        perceive that person to be a threat?

21           A.    Mean the officer using Mace on another  
22        person?

23           Q.    Yes.

24           A.    Would it be a threat? It would take certain  
25        situations before the Mace would come out. I don't know

1 what you're really wanting out of me.

2 Q. What I'm asking you is your knowledge on the  
3 use of Mace. Did you ever use -- did you ever have an  
4 occasion to use Mace or Freeze Plus?

5 A. A couple of times. Mace was no fun to come  
6 back with the person in the car with them, get where  
7 you're going and get back to the jail.

8 Q. Is it your understanding that the use of  
9 Mace or Freeze Plus is only authorized when the officer  
10 perceives an imminent threat of bodily injury?

11 A. If he's a threat to a person, yes. If a  
12 threat to a police officer and that's the least option  
13 to get him subdued, yes, Mace him.

14 Q. What do you mean by the least option?

15 A. If it's gotten so bad you've got to use  
16 something like a nightstick or pull your pistol out and  
17 shoot, use Mace, get them under control.

18 Q. But without any other indication of a threat  
19 of bodily harm or injury, were you trained that it was  
20 okay to use Mace on anyone?

21 A. At the police academy and at the school that  
22 I went to in '73 -- I really don't know. Like I say  
23 different cases, different cause, because you have to do  
24 something different every time, they're not ever the  
25 same.

1                   Q. Well, let me ask you this: With your  
2 experience as a law enforcement officer and with your  
3 experience as with the number of years that you've had  
4 and your training, would you say that -- and a deputy  
5 who had used Mace and handcuffs on someone without  
6 having any threat of harm or injury to him, had used  
7 excessive force?

8                   A. If he was in handcuffs in the car or going  
9 to get in the car, no need for no Mace.

10                  Q. And if a person is already in handcuffs,  
11 would there be any need for Mace?

12                  A. Because all they've got left is their feet,  
13 they can run off and leave, if they run. Put the  
14 handcuffs on him, he'll stop.

15                  Q. But to reiterate, the only time that you  
16 feel that it's justified in using Freeze Plus or Mace if  
17 the person that you're about to arrest is combative or  
18 threatening?

19                  A. Right.

20                  Q. Is that correct?

21                  A. Yes.

22                  Q. Now, did you have -- when was the last time  
23 you saw your brother prior to his being arrested?

24                  A. He was at my house, him and his wife. They  
25 came by. They had been to the Winfield Carraway

1 Hospital. He hurt his thumb and had it looked out,  
2 because the cast was a take on and take off, something,  
3 just to leave it on keep it mobilized.

4 Q. And did you have an opportunity to look at  
5 the cast?

6 A. Yes.

7 Q. Did you have an opportunity to observe his  
8 hand?

9 A. Yes.

10 Q. The cast was on?

11 A. It was just like the thumb right there in  
12 place to keep it from moving.

13 Q. Did you have an opportunity to observe his  
14 other -- his remaining fingers that were not in the  
15 cast?

16 A. Yes.

17 Q. Were they normal?

18 A. Yes.

19 Q. That was the day that he went --

20 A. He had a bad arm and a bad hand already.

21 Q. You say he had a bad arm already?

22 A. Bad arm and bad hand already.

23 Q. How was his -- when you say he had a bad  
24 hand already, what do you mean by that?

25 A. You could look at both his hands and tell

1 there was a difference in the one on his right. He had  
2 all the surgery but it was still different because it  
3 was an old injury.

4 Q. You're saying he had an old injury to his  
5 arm or his hand?

6 A. His arm and caused his fingers to be drawn.

7 Q. So he had that prior to --

8 A. Yes.

9 Q. -- his being arrested?

10 A. (Witness nods head.)

11 Q. Now, did you have an opportunity to observe  
12 him after he got out of jail?

13 A. The next day after he got out.

14 Q. After he got out of jail, did you have an  
15 opportunity to observe his hand?

16 A. Yes.

17 Q. Was it different from the hand that you  
18 observed prior to his being placed in jail?

19 A. Definitely.

20 Q. Tell the Court exactly what was different  
21 about it.

22 A. Swelled all up in here (indicating).

23 Q. It was swelled up?

24 A. Swelled up fingers, swelled up there.

25 Q. Did you notice anything else different about

1 him?

2 A. Yes. His elbow was messed up. He had --  
3 because mine was messed up or I'd show you what it  
4 looked like. That don't feel too good when that  
5 happens.

6 Q. Did you have an occasion to take any  
7 photographs of your brother?

8 A. No, I didn't.

9 Q. Did you take any photographs around the  
10 yard?

11 A. No.

12 Q. Do you know Deputy Ingle?

13 A. Yes, sir.

14 Q. How long have you known him?

15 A. A long time.

16 Q. How long is long?

17 A. Fifteen or eighteen years. Maybe longer.

18 Q. Are you aware of the ongoing conflict  
19 between Deputy Ingle and your brother?

20 A. I know they had some differences.

21 Q. Were you aware that he had been arrested by  
22 Deputy Ingle on a number of occasions?

23 A. Yes.

24 Q. In Carbon Hill?

25 A. Yes.

1           Q. Were you aware that most of those charges  
2 had been dismissed?

3           A. Yes.

4           Q. Were you aware that your brother moved from  
5 Carbon Hill to get away from Deputy Ingle?

6           A. He moved from Carbon Hill for some reason,  
7 and he said that was the reason he wanted to get out of  
8 there.

9           Q. Is that the reason he changed his name?

10          A. That's what he told me. I still call him  
11 Tommy, because he's my brother.

12          Q. Have you ever known of any other complaints  
13 or grievances against Deputy Ingle?

14          A. No.

15          Q. Have you ever known Deputy Ingle to be  
16 incarcerated or in trouble with law enforcement,  
17 arrested for any reason?

18          A. No, sir.

19           MR. PIAZZA:        That's all I have.

20                            CROSS-EXAMINATION

21                            BY MR. WILLFORD:

22          Q. My name is Gary Willford and I represent the  
23 Sheriff and the Hiring Authority in this Board hearing.  
24 I just want to ask you a few questions.

25                            You weren't present at your brother's house

1 on the early morning hours of February 16 of 2004, were  
2 you?

3 A. I was over there shortly after he went --  
4 left to go to jail.

5 Q. Were you there while Deputy Ingle was  
6 present?

7 A. No. Him and Tommy was gone by the time I  
8 got over there because I had to go -- my wife had a  
9 water leak pop out in the bathroom and she's calling me  
10 wanting to know what was going on. I said there's a  
11 water leak somewhere and she found it and I told her how  
12 to get the water cut off and I'd be on it, fix it to  
13 where you can make it on through the night.

14 Q. That was that morning, the 16th?

15 A. It was about 2:30 in the morning, between  
16 2:30 and 3:00 o'clock.

17 Q. You testified about something and I want to  
18 make sure I got this right, because I apparently got  
19 some of the testimony wrong earlier this evening. You  
20 said in a domestic violence situation back when you were  
21 a deputy that if just one of the parties said everything  
22 was okay you would leave; is that -- did I get that  
23 correct?

24 A. I didn't say that. There was one party --  
25 usually if you've got a domestic situation and both

1 parties are still there -- one, says it's okay, the  
2 other one you don't see no sign on their face, you  
3 figure it's okay.

4 Q. So that answer then would be based on  
5 actually laying eyes on the second party?

6 A. (Inaudible.)

7 Q. Listen to my question. Your answer then is  
8 based upon actually having seen the second party?

9 A. Yes.

10 Q. So, you actually have contact with both  
11 parties --

12 A. You see both of them.

13 Q. -- before you leave?

14 A. Yes.

15 Q. You wouldn't leave before you talked to both  
16 parties or you at least saw both parties, correct?

17 A. Right.

18 Q. And the laws have changed since you've  
19 retired as a deputy, correct?

20 A. Yes, they changed. That Domestic Violence  
21 Act was passed sometime near the end of my serving, when  
22 I was working, three or four or five years or something  
23 like that.

24 Q. Would it be your understanding that those  
25 laws were changed because we had situations where we

1       would leave and something would happen?

2           A. I know what brought that out.

3           Q. That's why?

4           A. Troubles between man and wife or a family  
5 member or people being in somebody's house.

6           Q. Okay. Are you still APOST certified?

7           A. APOST certified?

8           Q. Yes. Peace officer standards, certified  
9 still?

10          A. I'm sure my status has run out because the  
11 way things have changed over the years as far as -- the  
12 only thing I have is the commission card from the  
13 Sheriff and a retirement card from the Sheriff coming  
14 in.

15          Q. Do you take any kind of continuing education  
16 as a law enforcement officer?

17          A. When I retired I tried not to do that no  
18 more.

19          Q. You testified as to some of the ways that --  
20 or the reasons why you would use chemical spray on a  
21 suspect. Would it also be true that you could use  
22 chemical spray on a suspect to stop them from hurting  
23 themselves?

24          A. Well, I never -- like I said, I never did  
25 use that much. One of the times I used it and I had to

1       drive back -- couldn't see where I was going because my  
2       eyes was watering so bad, and that was old Mace. This  
3       Freeze Plus stuff is worse.

4           Q. I'm not asking you if you actually had to do  
5       that before, but I'm asking if it would be an acceptable  
6       use of chemical spray to stop someone from hurting  
7       themselves?

8           A. Just because they hurt themselves, shouldn't  
9       spray them with it because you going to cause somebody  
10      to get hurt.

11           Q. Well, what would be -- suppose you had  
12      someone who was threatening to shoot themselves?

13           A. Never did run across that one.

14           Q. Wouldn't getting shot be worse then getting  
15      a little chemical spray in the eye?

16           A. A whole lot worse. Never did get that kind  
17      of call.

18           Q. We've heard some testimony that your brother  
19      has some mental problems; do you know that to be true?

20           A. He has bipolar disease the way I understand  
21      it.

22           Q. Does he have anything else that you're aware  
23      of?

24           A. He's been going to Northwest Alabama Mental  
25      Health Center up here in Jasper, I think, what he told

1 me.

2 Q. Do you know of any kind of medications that  
3 he might be on?

4 A. Medications he's on?

5 Q. Yes, sir.

6 A. I don't know what the name brands are. I  
7 know they give him medicines up there or prescriptions  
8 there at the doctor's office with a regular appointment,  
9 I know about that.

10 Q. Have you noticed if those medications had  
11 any affect on his behavior?

12 A. Yes. I think it's helped him a little bit.

13 Q. Helped him in what way?

14 A. He gets paranoid and it drops the paranoid  
15 out of him, the paranoid part of it. He's always  
16 been -- not always but sometime back in -- got to being  
17 that way pretty regular, paranoid. And he went to the  
18 mental health center on his own.

19 Q. When he would have these paranoid episodes,  
20 was he violent?

21 A. No.

22 Q. To your knowledge has he ever harmed anyone?

23 A. No.

24 Q. When you were a deputy, did anyone ever --  
25 any citizen ever file a complaint against you?

1                   A. No, sir.

2                   Q. Did you ever have any law enforcement  
3 officers that you worked with that had citizen  
4 complaints filed against them?

5                   A. I'm sure there was. I don't know which one  
6 it was or anything like that.

7                   Q. Okay. Ever known suspects to lie?

8                   A. Oh, yeah.

9                   Q. That's not beyond the realm of possibility,  
10 is it?

11                  A. You can catch one now if you're good.

12                  MR. WILLFORD: I have no further questions.

13                  MR. PIAZZA: I have one more question.

14                    REDIRECT EXAMINATION

15                  BY MR. PIAZZA:

16                  Q. Did you ever arrest anyone who had actually  
17 made a 911 call for help while you were a police  
18 officer?

19                  A. 911 was just coming in right before I  
20 retired.

21                  Q. If someone called the Sheriff's office and  
22 said I need some help over here --

23                  A. There was a case or two that we had to  
24 make an arrest.

25                  Q. Do you recall ever arresting the person that

1 actually called to ask for the help?

2 A. No.

3 MR. PIAZZA: That's all.

4 MR. WILLFORD: One last question.

5 RECROSS EXAMINATION

6 BY MR. WILLFORD:

7 Q. Going back to the mental issues that your  
8 brother had, have you ever known him to hear voices?

9 A. No, I don't think that he would hear voices.

10 Q. Have you ever known him to see things that  
11 weren't there?

12 A. No. His imagination might go a little bit,  
13 there might be something there. I just went on about my  
14 business. He was all right. He wouldn't do anything.

15 Q. His imagination, could you describe an  
16 incident?

17 A. It's just -- he made me think that somebody  
18 might be after him or something every once in a while or  
19 something, you know. I'd tell him don't worry about it;  
20 if they was going to be after you, you would see them.

21 MR. WILLFORD: Thank you, Mr. Barron.

22 MR. PIAZZA: Let me ask you this, Mr.  
23 Barron.

24

25

FURTHER REDIRECT EXAMINATION

2 BY MR. PIAZZA:

3 Q. After -- you testified that you know of or  
4 knew of the history between your brother and Mr. Ingle.  
5 With regard to that history and with regard to what  
6 transpired between these two individuals, would it be  
7 your testimony that your brother was paranoid with  
8 regard to Mr. Ingle?

9 A. I would think so.

10 Q. Would it also be your testimony that that  
11 paranoia would be justified in this case?

12 A. I would think so.

13 MR. PIAZZA: Thank you.

14 THE COURT: Anybody for the Board,

8 A. No, he was not.

18 A. Disturbing the peace.

19 Q. Could you please speak up?

20 A. Disturbing the peace, drunk, that sort of  
21 thing.

23 calling the Carbon Hill Police Department to complain of  
24 noises and nuisance next door to him?

25 A. Yes, sir.

1 Q. And did Carbon Hill at that time have a

3 A. I'm not aware of any.

4 Q. You're not aware of one?

10 Q. Did you ever recall him making a complaint  
11 of that nature?

12 A. Yes, sir.

13 Q. Against Mr. Ingle's relatives?

3 morning of February 16?

4                   A. I'm not sure of the date, but I did see Mr.  
5 Barron that morning for about 30 seconds.

6                   Q. About 30 seconds?

7                   A. That's probably the length of time.

8                   Q. What time was your shift that day?

9                   A. 7:00 o'clock.

10                  Q. And what was the occasion for your seeing  
11 him?

12                  A. He was standing at the booking counter when  
13 I came in --

14                  Q. Was he dressed?

15                  A. -- about 15 to 7:00.

16                  Q. 15 to 7:00?

17                  A. I would say that, yes.

18                  Q. About 6:45?

19                  A. Yes.

20                  Q. He was being booked?

21                  A. He had already been booked at the previous  
22 night. I never did understand why he was at the  
23 counter. I just happened to see him there.

24                  Q. He had been booked the previous night. You  
25 came in to work that Monday --

1           A. Right.

2           Q. -- at a quarter to 7:00?

3           A. Somewhere around there.

4           Q. And how do you know he was booked the  
5 previous -- when you say "night," are you speaking about  
6 earlier that morning when you came in?

7           A. That morning.

8           Q. How do you know he was booked?

9           A. Well, he was in jail there.

10          Q. Did he have his orange jail uniform on when  
11 you saw him?

12          A. I think he might have been still in his  
13 street clothes. I'm not sure.

14          Q. But he was at the booking --

15          A. He was standing at the booking counter when  
16 I came in.

17          Q. And that was at 6:45 a.m.

18          A. Approximately.

20          A. I don't recall who all was there. We were

1 to Mr. Barron, or Mr. Burch?

2 A. Responsibilities?

3 Q. Yes, sir.

6 working another job in the jail.

7 Q. Okay. So you were assigned somewhere else?

8 A. That's right.

9 Q. Did you ever check on Mr. Barron to see if  
10 he was being treated properly or to see if he needed any  
11 medical attention?

12 A. I did not.

13 Q. Was that under your responsibilities?

14 A. Not at that particular time. I was working  
15 in another part of the jail.

16 Q. Did you notice anything about Mr. Barron's  
17 physical condition?

18 A. He was complaining of his finger hurting,  
19 and I asked him did he see the nurse and he said yes. I  
20 left it at that, that was the extent of our  
21 conversation.

22 Q. Did you observe his -- did you observe any  
23 marks on his body?

24 A. I did not.

25 Q. You said he still had his street clothes on?

1           A. I'm not sure about that but I think he  
2 probably did.

3           Q. Did you notice a cast on his arm?

4           A. No. I was in the process of getting ready  
5 to go to work. I really didn't notice.

6           Q. Did you notice a busted lip?

7           A. No.

8           Q. But you're positive that he was being booked  
9 in at 6:45?

10          A. I'm thinking he was already booked in.

11          Q. He was already booked in?

12          A. Why he was at the counter that day, I don't  
13 know, why he was standing there.

14          Q. Did you ask anyone?

15          A. No.

16          Q. Was he in handcuffs?

17          A. No, not at that time.

18          Q. Was he making any -- was he combative or  
19 what was his attitude?

20          A. He was at that time calm.

21          MR. PIAZZA: I don't have any other  
22 questions.

## CROSS-EXAMINATION

2 BY MR. WILLFORD:

3                   Q. Officer Devito, while you were the chief of  
4 police of Carbon Hill, were there ever any complaints  
5 filed against Deputy Ingle for excessive force?

6 A. NO.

7 Q. Were there ever any complaints filed against  
8 him for false arrest?

9 A. No, sir.

10 Q. Did you ever know Deputy Ingle to arrest  
11 someone for purely personal reasons?

12 A. NO.

13 Q. Were any complaints at all ever filed  
14 against Deputy Ingle?

15                   A. No. Well, complaints and a lot of calls.  
16 Police officers are going to get complaints of some  
17 sort, because of tickets and that sort of thing.

18 Q. Do you know if anything like that happened  
19 with Deputy Ingle?

20 A. I'm sure it did. It happened to me.

Q. But no excessive force or false arrest?

22 A. Not really.

23 Q. Was he ever disciplined for any of those  
24 complaints?

25 A. No.

1           Q. While you were the chief of police of Carbon  
2 Hill, did you have any involvement with the complainant  
3 in this case, Mr. Burch or Mr. Barron?

4           A. Some.

5           Q. Did you ever have cause to arrest him?

6           A. Yes, I did.

7           Q. What did you have cause to arrest him for?

8           A. Public intoxication and that sort of thing.  
9 I can't recall the dates or the incidents but --

10          Q. Do you know if he was convicted of those  
11 charges that you arrested him for?

12          A. I'm not sure.

13          Q. I'm going to offer you a hypothetical based  
14 upon your experience as the chief of police of Carbon  
15 Hill. If you were to arrest someone for multiple  
16 charges, would it be out of the ordinary to reduce or  
17 combine those charges into a single charge?

18          A. (No response.)

19          Q. Were you aware of Mr. Barron or Mr. Burch's  
20 general reputation in the community there at Carbon  
21 Hill?

22          A. Yes, sir.

23          Q. And what was that reputation?

24          A. He was sort of unstable at times because of  
25 his drinking.

1           Q. Was he unstable because of any other reason  
2 that you're aware of?

3           A. No.

4           Q. Do you know if he had ever sought mental  
5 health treatment?

6           A. I had heard that he did.

7           Q. Do you have any knowledge of an injury that  
8 occurred with Mr. Burch's right arm several years ago?

9           A. Yes. He -- I didn't work that particular  
10 incident, but he had gotten drunk at his house and  
11 shoved his arm through a storm door.

12          Q. Was that a glass door?

13          A. Glass door. That's the story that I got.

14          MR. WILLFORD: Nothing further.

15                    REDIRECT EXAMINATION

16                    BY MR. PIAZZA:

17          Q. Mr. Devito, did you ever arrest anyone in  
18 their own home without a warrant for their arrest?

19          A. Yes, sir.

20          Q. What was the occasion?

21          A. Public and domestic violence or fighting  
22 sometimes.

23          Q. Are you familiar with domestic violence law?

24          A. Yes, sir.

25          Q. Are you familiar with policies concerning

1 response to domestic violence situations?

2 A. Yes, sir.

3 Q. What was the policy of the Carbon Hill  
4 Police Department at the time that you were police chief  
5 of Carbon Hill with regard to domestic violence  
6 situations?

7 A. If we went to an incident where --

8 Q. Could you speak up, please?

9 A. If we went to an incident where someone was  
10 going to be hurt or that there might be something going  
11 on where someone could get hurt, we would take them to  
12 jail, if they're combative or that sort of thing.

13 Q. So if you felt like someone was in eminent  
14 danger of harm --

15 A. Right.

16 Q. -- you would take them to jail?

17 A. Right.

18 Q. And what would you charge them with?

19 A. Domestic violence.

20 Q. Even if they hadn't harmed anyone?

21 A. (Witness nods head.)

22 Q. So you would arrest someone and charge them  
23 with domestic violence and take them to jail?

24 A. If there was evidence of physical abuse,  
25 yes.

1                   Q. If there was physical abuse. Would you have  
2 to notice or observe physical abuse from another person,  
3 their spouse or significant other?

4                   A. If I feel like that the other was in danger.

5                   Q. The other in danger?

6                   A. Yes.

7                   Q. But that's what they would be charged with,  
8 domestic abuse or violence; is that correct?

9                   A. Yeah, or harassment.

10                  Q. Harassment. Now is -- you wouldn't have  
11 authorization unless that other person expressed to you  
12 that they were in fear of eminent harm or danger; is  
13 that correct? I mean, if they told you there is no  
14 problem here, you know, no one is arguing --

15                  A. Sometimes you look beyond that because the  
16 spouse may be abused and not tell you, look beyond that.

17                  Q. But if you saw no evidence of abuse of a  
18 spouse or another person and if both sides were telling  
19 you that there was no problem, no issues, even before  
20 you -- even before you arrived on the scene, they would  
21 tell the dispatcher that there is no problem here,  
22 there's no issues and there is no reason to dispatch  
23 anyone out here, would you make an arrest?

24                  A. If they told the dispatcher, I wouldn't  
25 have.

1           Q. What if you had already been dispatched?

2           A. I would check the situation out.

3           Q. You would check the situation. When you  
4 arrive on the situation and you're told that there is no  
5 problems and you don't observe any problems or threats  
6 of any nature, would you make an arrest?

7           A. No.

8           Q. Would you make an arrest even though --  
9 would you arrest a person even though they were the  
10 person calling for help to the dispatcher or calling  
11 911?

12           A. Would I arrest a person for calling?

13           Q. No. My question is -- I'm giving you  
14 another situation. Let's say you were to go into a home  
15 and there were two parties in the home; one of which had  
16 actually made the call for help, and you get into the  
17 home and you don't observe any threats or any evidence  
18 of abuse, would you make an arrest of either party, in  
19 particular the party making the call?

20           A. Probably not.

21           MR. PIAZZA: That's all.

22           THE COURT: You can be excused.

23           What does the Board want to do? We're  
24 going to adjourn.
